The Greenways Land Trust Good Food Box program is a biweekly vegetable box packed by Lush Valley Food Action Society in the Comox Valley, utilizing locally grown vegetables, fruits, and eggs.

We have 2 size options available, both at 2 price points.

- Our small box is available full price for \$20, or at a subsidized rate of \$14
- Our large box is available full price for \$30, or at a subsidized rate of \$21

Subsidized boxes are available to anyone (limited to 1 per household, per order) without any extra information required.

Our goal is to provide an affordable box of fresh fruits and veggies to everyone without any extra hoops to jump through.

Please note that box contents are not customizable, and vary with each order depending on produce availability, seasonality, and price.

The Good Food Box schedule runs on a bi-weekly basis on Tuesdays, with orders being due the week before pickup day.

Orders must be picked up by yourself or a person designated by yourself at the Greenways office on the pick-up day between 3:30-5:30pm.

Any orders not picked up on pick up day will be donated to a local organization in need.

Automatic emails are sent out every Friday before orders are due, this email includes information on how to order and how to pay.

Please note that orders cannot be completed without both order form and payment received by the due date.
