

SD72 PARENT HOME LEARNING LESSON

WHO WOULD WIN?

This activity is based on the popular book series

[Who Would Win](#), By Jerry Pallotta, Illustrated by Rob Bolster

PURPOSE / SKILL: Reading, writing, researching, illustrating

MATERIALS: Printout of the outline provided

INSTRUCTIONS: You will be researching two different living creatures using the lens of “Who Would Win?” if they were to battle. You will use the outline provided to gather information and create your own booklet.

STEP ONE: Read some of the [Who Would Win](#) books by Jerry Pallotta AND/OR watch these videos of the author reading his books:

* [Who would win? Lobster VS Crab – ready by Jerry Pallotta](#)

* [Who would win? Whale VS Giant Squid – read by Jerry Pallotta](#)

STEP TWO: Choose two living creatures that you would like to compare.

STEP THREE: Use the attached outline to find information about each living creature. You will learn about and compare the following: size, habitat, diet, young, behaviors, amazing body, special facts to decide which has the advantage.

SEE THE SEPARATE DOCUMENT FOR A FINISHED PRODUCT SAMPLE.

WHO
WOULD WIN?

VS

By: _____

What would **happen** if a _____

came face to face with a _____?

What if they **were both** _____?

If they had a fight, who do yo think would win?
